

Mission: To provide a wide variety of educational programs and social activities for people age 50+ that foster wellness and that encourage personal and intellectual growth. To provide an environment for developing new interests, making new friends, and becoming involved as volunteers.

PrimeTime Institute (PTI) is a self-funded program of ElderCare of Alachua County (ECAC). All PTI programs and activities are planned and presented entirely by volunteer members and speakers, with expenses supported by membership fees and donations. Because of our affiliation with ECAC, donations to PTI (beyond the annual membership fee) are tax-deductible. Donation checks for ECAC/PTI should be payable to ElderCare of Alachua County, with "PTI donation" on the memo line so the funds will be designated for the PTI account. Donors will receive a letter from ElderCare acknowledging their gift for tax records following government requirement.
